CeeLo Green Headlining Tampa Urban Music Festival, Fundraising for Rebuilding Together Tampa Bay

***Five-time Grammy Award-Winning Artist CeeLo Green is Partnering with
Rebuilding Together Tampa Bay to Raise Money for Hurricanes Helene and
Milton Relief Efforts***

TAMPA, Fla. – This weekend, Water Works Park in Tampa will be taken over by great music, tasty food, and good vibes - all for a great cause! The Tampa Urban Music Festival celebrates urban music and culture and is free to attend. This year's event is partnering with Rebuilding Together Tampa Bay to raise money for Hurricane Milton relief efforts. Those attending are encouraged to donate to help people who have been devastated by recent storms.

Rebuilding Together Tampa Bay is the only organization in Tampa Bay that focuses on long-term recovery following hurricanes. In the last few weeks, Rebuilding Together has distributed thousands of hurricane clean-up kits, assisted homeowners in gutting and rebuilding their homes, and connected residents to the resources they need. All of the donations made at the music festival go right back into helping the Tampa Bay community get back on its feet through Rebuilding Together.

Media is invited and encouraged to attend. Please RSVP to RaeChelle Davis at rdavis@catalystcommunicationsgroup.com to set up interviews.

About Rebuilding Together Tampa Bay

RTTB's mission is "repairing homes, revitalizing communities, rebuilding lives." We achieve this by providing members of our shared communities with imperative home repairs, housing, education, and other forms of assistance free of cost,

bringing their homes to not just a habitable state but one that is safe and healthy and that they and their families can thrive in.

RTTB addresses critical issues such as leaking roofs, problematic ducts aggravating asthma symptoms in children, and installing safety features like grab bars for elderly residents. We also construct new homes, providing homeownership opportunities to those who may have never deemed it possible. Following Hurricane Ian, RTTB was designated the lead affiliate for statewide response and recovery efforts, extending our service area to heavily impacted communities in Southwest and Central Florida, where we assist the most vulnerable in repairing and rebuilding.
